

Welcome to your new Participant Statement!

DailyAccess has designed your statement to make it easy for you to track your retirement plan assets. Account information is presented in an easy-to-read format. Clearly identified are your quarterly contributions, your earnings and your total account balance. This design provides helpful summaries and charts that illustrate your investment positions. We encourage you to review your statement. Use the information provided as a gauge to assist you in determining if your plan assets are on course to achieve your retirement goals.

We are committed to providing you with the best technology and best customer service in the industry. Let us know what you think by e-mailing us at info@dailyaccess.com.

Your Plan Contacts

Inquiries concerning your investment options, fund performance, or investment assistance should be directed to your FINANCIAL ADVISOR CONTACT.

Inquiries concerning your payroll deductions, eligibility, and general questions about your plan should be directed to your PLAN SPONSOR CONTACT.

Important Message

Review this section for any important announcements or changes from your plan sponsor regarding your plan.

Personal Information

Please confirm that this information about you is correct as displayed. Contact your plan sponsor to make corrections to this information.

Activity Highlights

This area summarizes the total amounts of additions and/or reductions that have occurred in your account during the statement period. Also shown here is your resulting Total Account Balance and Total Vested Balance.

Your Current Account Value

This is the total value of your account on the ending date of the statement including loans and amounts that may be subject to vesting.

Allocation Summary

This section lists all of your investment funds. They are identified by fund type, the number of shares/units you own, price per share/unit, your ending balance at the conclusion of the statement period and how the funds are allocated as a percent of your total holdings.

Vesting Summary

Vesting refers to the amount of your account that you are entitled to should you leave the company. Contact your plan sponsor for questions concerning your plan's vesting schedule.

Contribution Summary

This section identifies contributions made to your account during the statement period by each source.

Investment Activity Summary

This section summarizes the activity that occurred in each of your investment funds during the current statement period.

Loan Summary

If your plan offers loans, this section shows any new or outstanding loans that you may have. Details include principal, interest paid and balance due as of the current statement date.
